

Bonduel Community Garden Contract
South Street, Bonduel, WI 54107

1. Gardeners are required to complete this contract and pay a \$10.00 annual rate fee per 10'x10' plot before beginning gardening work. Gardeners will be notified by email when the garden is ready to use.
2. All gardeners are expected to participate in keeping the total garden site neat, orderly, and safe. This includes weeding the borders of personal garden plots. All non-diseased plant materials should be placed neatly in the provided compost bin or removed from the garden. Diseased plant materials and trash **MUST** be disposed of off-site by each gardener.
3. Gardeners must keep their plots tidy and relatively weed free. If a plot becomes unkempt (as determined by the Garden Board) the gardener will be given one week to remedy the situation. If the plot is not cleaned, the plot will be reassigned and the gardener will not be eligible for a plot the following year.
4. If a gardener must abandon their plot, he/she must notify the Village of Bonduel at 715-758-2402.
5. Gardeners must harvest all produce and remove all large plant and structural materials from their plot by October 31st.
6. Gardeners should manually remove insects whenever possible. The following pesticides are acceptable for use: insecticidal oils and soaps, mineral insecticides (diatomaceous earth), botanical insecticides (ryania, pyrethrin, spinosad, neem products) and microbial insecticides (Bt-Dipel, Thuricide, M-One).
7. Gardeners are responsible for watering their own plots. Hoses and sprinkling pails will be available on site. No sprinklers please. After use, please return all tools, pails, and hoses to the storage area.
8. Mulches are acceptable within plots. No mulches are allowed in the aisles around plots unless give written permission from the Garden Board.
9. Gardeners are encouraged to harvest all produce. Excess produce can be shared with local food pantries.

I hereby agree to these rules of participation in the Bonduel Community Garden.
