BEAR THE BARRICADES

2024

The State D.O.T. will be starting on their portion of the State Highway 117 project on March 25, 2024. This work will consist of water and sewer repairs, replacement of the curb ramps/crossings, traffic light upgrades, and repaving of State Highway 117 through the Village of Bonduel.

Although parts of Hwy 117 will be closed to traffic during periods of time during the construction, rest assured that:

- **Businesses will remain open and as accessible as possible**
- **Signage for parking and entrances will be easily visible**
- **Traffic routes will be clearly designated**

For detailed construction information please visit our website villageofbonduel.com or follow the Village of Bonduel Facebook page. The WisDOT will also keep 511 WI updated at <https://projects.511wi.gov/wis117-shawano/>

MEET BAXTER BONDUEL

Hi!
I'm Baxter Bonduel!

I was born and raised right here in the Village of Bonduel and I love hanging out in downtown. I'm so excited for the construction to start on Hwy 117! I can't wait to have fun BEARING THE BARRICADES with you!

I want to help maximize downtown during construction while guiding the community members through the changes. Look for signage throughout the construction area to find your way through the construction zone.

Don't forget to visit the area businesses during the construction! I have a special community challenge for residents and shoppers of Bonduel!

*See you soon!
