

# VILLAGE OF **BONDUEL** *Rich in Tradition.*

April 24, 2026

The Village of Bonduel is moving forward with our “Connecting Through Play” project to replace outdated playground equipment at Cedar Park with new, modern, ADA-accessible features.

A key part of making this playground truly inclusive is installing a **pour-in-place safety surface** under the play structure. This surface is essential for accessibility, allowing children of all abilities, including those using mobility devices, to safely access and enjoy the playground. It also improves safety, durability, and long-term maintenance.

While the Village has committed funding for the project itself, we are **seeking financial support specifically to help offset the cost of installing the pour-in-place surface**, which is a significant but critical investment. Our goal is to raise \$50,000 to ensure this feature can be included.

Cedar Park is a central gathering place in our community. This improvement will:

- Ensure safe, accessible play for all children
- Create a more inclusive space for families and caregivers
- Enhance the overall quality and longevity of the playground

We invite you to consider supporting this community-driven project at one of the following sponsorship levels:

Sponsorship Level	Platinum	Gold	Silver	Bronze
Donation Value	\$5,000+	\$2,500+	\$1000+	\$500+
Recognition on Donor Board	Large Logo	Logo	Name	Name

Donations of less than \$500 are also greatly appreciated. All sponsorship levels will be recognized on a permanent donor sign installed at Cedar Park following the project’s completion. To be properly recognized for your contribution, we request that all donations be received by July 1<sup>st</sup>, 2026.

Your support will directly help make this project fully accessible and beneficial for everyone in our community. If you have questions or would like more information, please contact the Jesse Rankin, Director of Municipal Operations, at 715-758-8779 or [j.rankin@villageofbonduel.com](mailto:j.rankin@villageofbonduel.com).

Thank you for considering an investment in the future of Bonduel.

Sincerely,

Jesse Rankin  
Director of Municipal Operations  
Village of Bonduel
